

TANISHK LALGE

Age- 20 years

ABOUT

Versatile and driven professional with a strong foundation in both data analysis and web development. Proficient in Python, SQL, Tableau, power BI, HTML5, CSS3, and JavaScript, with a proven ability to transform complex data into actionable insights and develop responsive web applications. Adept at problem-solving, critical thinking, and communicating technical information effectively. Seeking to leverage my diverse skill set to contribute to data-driven decision-making and innovative web solutions in a dynamic organization.
